Synopsis of the Armenian Sermon

(2 Peter 2:10b-16)

In this section, Peter continues to write and warn against the false religious teachers. These teachers not only teach false doctrine, but more so, they demonstrate it through their sinful behavior. They are bold, arrogant and lack understanding and common sense. They are like the false prophet, Balaam (Numbers 22).

Friends, times change, but the sinful human nature does not. The actions and behaviors of clergy, pastors, preachers, evangelists (and all people for that matter) speak louder than their words. Jesus said, "By their fruit you will recognize them" (Matthew 7:16). What does your behavior communicate to others?
